## Featured Hounds

### **Painter**

Entered in 2011, Painter was bred by SVH and has stayed with us his entire life. He was fostered by Sherri Hieber-Day when he was a puppy. Painter makes a very deep braying sound and is quite the gentleman. Fun Fact: Painter and Exodus share the same grandfather!

## Paint & Sip Fundraiser

A lovely venue! The very hospitable owners were interested in our hunt club, so we were able to enjoy an opportunity to educate the greater community.

Val went above and beyond with her rendition of the painting.

Thank you to everyone who donated items to the silent auction and everyone who helped make the night run smoothly and beautifully! Guests danced the night away in glamorous flowing gowns, tuxedos, and traditional pinks.
