I would like to extend my appreciation to everyone who helped me on October 3rd. This was such an unfortunate incident, however, it showed me how caring and loving our hunt club is. Everyone there was so helpful and aided in my successful recovery.

Thank you to Lisa, who was by my side supporting me throughout the whole ordeal.

Gideon wants to Thank Dr. Meghan Hays and Sabrina for taking wonderful care of him.

Thank you Dave for helping with my trailer and horses and for taking Meghan Home.

Thank you Val, for rushing from your home and getting me from the field to the ambulance.

Thank you Tabitha, who from work was able to contact my family and get information to them on my condition and which hospital I was taken to.

Also Thank you to Frank, Vito, Jan, and Erin for coming to visit me in the emergency room.

What WONDERFUL support.

Meghan Hays commented that she was impressed how nice and caring everyone was towards her. When asked if she would join us again her reply was "I would definitely hunt with Spring Valley Hounds again, they are a kind and caring hunt club."

THANK YOU  
Ellen & Gideon
