SVH 2019 Silent Auction Donations

During the Hunt Ball we will be holding a Silent Auction, where we will auction off baskets of prizes including goods, gift cards and services.

Raising funds through this will directly benefit our hounds.

We need help getting the donations to make this a successful and fun event!

Here are some ways you can help us with the auction:

Individuals or groups of friends / neighbors can donate a basket or consider donating

- Services: hair/tanning salon, photography, home repair/handyman services, ect.
- Tickets to anything: A game, show, museum, amusement park
- You can also donate any NEW Items you currently have at home and you think we can use. (eg: candles, frames, paintings, games, books, tack, etc.)
- If you frequently go to a business (eg: restaurant, hair, nails, etc) and are friendly with the owner please ask them if they would be interested in donating a gift card.
- Cash: we will purchase additional gift cards, baskets, ect... with cash donations

If you own a business and would like to enclose business cards / brochures with your donation we will display them at the auction and enclose them in the basket if appropriate.

Please have any donations in by Friday, March 15th!

We truly hope this auction is a fun, social event. We look forward to seeing you there.

Thank you in advance for your cooperation.
